jetStamp® 990

THE QUICK AND
HANDY ONE

The REINER *jetStamp*® 990 is characterised by rapid speed and particularly handy use thanks to its compact size.

The smallest device from the *jetStamp*® family permits quick and simple markings on any smooth or irregular surface. Like its bigger siblings, the ink-jet printer is characterised by optimal integration options:

it can be used mobile at the respective workplace integrated into the production line.
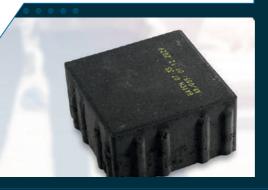

The robust *jetStamp*® 990 MP offers perfect flexibility with its memory options. Up to 25 customised texts or special functions can be stored in the device. Five of these slots are filled with pre-set example images at delivery.

The integrated LC display shows the set print image easily legible at all times in order to prevent marking errors.

The *jetStamp*® 990 prints date, time, texts, numbers, one- and two-line imprints

- Ideal for small areas
- Also prints on curved surfaces
- User-friendly
- Starting model
- Quick imprint
